This is your time to explore the Holy City, enjoy dinner on your own, shop or just relax at the hotel.

Overnight: Jerusalem. (B)

DAY 4: JERUSALEM – SOUTHERN WALL EXCAVATIONS, MASS (OPTIONAL), ISRAEL MUSEUM AND YAD VASHEM Sunday

After an early breakfast we will tour the Southern Wall excavations (Davidson Center) and imagine how pilgrims walked to the Second Temple 2,000 years ago. We also will see the surrounding Ophel Archeology Gardens, one of the most significant archeological sites in the country, revealing 2,500 years of Jerusalem's history in the many layers of ruins. Following, we have the option to attend a 10 a.m. Mass at St. George's Cathedral. Next stop: The Israel Museum and the Shrine of the Book where the original Dead Sea Scrolls are on display. We then drive to Yad Vashem Holocaust Memorial and Museum. Dine on your own

Our group will then travel to Mount Herzl National Cemetery, a burial place for Zionist leaders such as Theodore Herzl, Golda Meir and Yitzhak Rabin. Walk along the ruins, and explore this ancient stronghold where Jewish zealots chose to end their lives rather than live under oppressive Roman rule following the destruction of the Second Temple in Jerusalem. We will also see the desert oasis of Ein Gedi. Enjoy lunch on your own and float in the salty waters of the

Dead Sea, the most buoyant and saltiest body of water in the world. Our adventure continues as we visit Qumran where we will see the remains of an ascetic religious community and the Qumran Caves where the Dead Sea Scrolls were discovered. We then drive north along the Jordan Valley, the border between Israel and Jordan, passing by the ancient city of Jericho en route to Tiberius in the northern part of the country. We continue to the Mount of Beatitudes where Jesus delivered the Sermon on the Mount. From there, a brief stop at Tabgha where the miracle of the loaves and the fishes occurred, and then onto Capernaum where Jesus lived in the house of Simon Peter and preached from the synagogue.
